This seasons format is a combination of rules and regulations by the Michigan High School Athletic Association and the Michigan Department of Health and Human Services guidelines to have a high school bowling season. While it may be different, and look different, at least all high school teams will have the opportunity to bowl for their high school and compete in the Michigan State High School Championships. This season only two schools will bowl together each week, 2 boys teams and 2 girls teams at one location. Each team will host 6 home matches and 6 away matches. On the schedule below, the team on the right of each pairing will be the home team. It is up to the coach of the home team to contact the opposing coach and schedule the match, day, and time at their home center. Each team will have 2 matches each week that must be bowled, in any order, as long as the match takes place. In order to bowl within the guidelines that were established, spectators will be limited to 1 per bowler. 7 tickets will be given each week to each coach to distribute to parents. The ticket must be 'presented at the center' to be able to 'purchase a ticket' to view the match. Masks must be worn by all bowlers, coaches, and spectators at all times unless guidelines are changed by the MDHHS throughout the course of the season.
