This seasons format is a combination of rules and regulations by the Michigan High School Athletic Association and the Michigan Department of Health and Human Services guidelines to have a high school bowling season. While it may be different, and look different, at least all high school bowlers will have the opportunity to bowl for their high school. This season only two schools will bowl together each week at one location. Each team will host either 4 or 5 home matches and have 4 or 5 away matches. On the schedule following, the team on the right of each pairing will be the home team. It is up to the coach of the home team to contact the opposing coach and schedule the match, day, and time at their home center. Each team will have 1 or 2 matches each week that must be bowled, in any order, as long as the match takes place. In order to bowl within the guidelines that were established, spectators will be limited to 1 per bowler. Since there is no admission charge for the JV conference, we ask coaches to stress to the parents that only 1 spectator per bowler will be allowed. If this becomes a problem, all spectators could be banned. Masks must be worn by all bowlers, coaches, and spectators at all times unless guidelines are changed by the MDHHS throughout the course of the season. When your team is scheduled against the "Bye Team", you do not bowl, and your team will get the win.

SEE YOUR COACH FOR SCHEDULED DATES AND TIMES.
